Cochrane Brownies

Dear Girls of 2nd Cochrane Brownies,

Re: International Day of the Girl Child

Let me start by saying how impressed I am that you took the time to write your local government and bring your ideas forward. I am always happy to receive letters from residents, especially about positive initiatives!

I also want to thank you for your efforts in having the *International Day of the Girl Child* proclamation brought forward to Council. We were so pleased to see this item on our agenda and were thrilled to unanimously proclaim October 11th as the official *International Day of the Girl Child* in Cochrane. This is such an important initiative, and we are glad we could provide some aid in your efforts to bring attention to this day.

It is clear that you are a special group of girls, and I encourage you to keep up your endeavours to bring equality for girls around the world.

Yours truly,

A handwritten signature in black ink, appearing to read 'Jeff Genung', is written over a white background.

Mayor Jeff Genung
