Design and Installation of Baseball Lighting at Mitford Park	April 17
Hauling Front Load Waste and Recycling and Roll Off Bins	April 17

Melt one day, freeze the next

Due to the snow/thaw conditions we're experiencing, run off water can settle and freeze. Crews are working diligently to address frozen catch basins to keep the drain water flowing.

Here's how you can help with drainage problems:

- Chip ice and snow out of the curb and gutter to allow water to flow.
- Use off-street parking (driveways), to allow crews to access catch basins more easily.

More tips:

- Eavestroughs and downspouts: clear snow away from the ends and make sure they are pointed away from your foundation
- Basements: clear snow away from your foundation and window wells

Thank you for all you do to help as snow melts!

Pedestrian Pathway Under HWY 1A Closed

Due to falling debris, the pedestrian pathway connecting the Historic Cochrane Rancho site to Glenbow Drive, under HWY 1A, is closed until further notice.

The pathway will be inspected by Alberta Transportation and will remain closed until further notice.

Thank you for your understanding.

Weekly Organics Collection Resumes April 10

Spring has sprung!

Weekly organics collection resumes on April 10.
