It's Spring in Cochrane

As the weather warms and the crocuses bloom, there's a lot happening around Cochrane.

Visit Cochrane.ca for regular updates on construction, street sweeping, events, parks and pathways and more!

International Firefighters Day!

Today is International Firefighters Day!

In celebration of this special day, Cochrane would like to acknowledge and honour the sacrifices, dedication and courage of our local Cochrane firefighters and firefighters worldwide.

Thank you for all you do to ensure the safety of our community and environment.

Let's clean up Cochrane!

Residents & community groups are invited to join the Cochrane-wide clean up on May 27 from 10 am – 1pm.

Many hands make light work, and this is one event the whole family can participate in. All you have to do is grab some gear, pick up litter, and return your bag to the designated pickup spot for collection.

Clean up site details and more information coming soon!

DRIVEWAY TRAILER PARKING PERMITTED MAY 1

As we head into camping season, Cochranites can once again enjoy the convenience of storing recreational vehicles on residential driveways.

For more information, visit: Cochrane.ca/RV

Weed Control Starting Soon

Following the Weed Control Act to control certain plant species, Parks staff control weeds in our community using an integrated system to ensure all reasonable steps are taken to protect and enhance our natural, recreational and non-recreational environments.

As early as May 29, Parks crews may begin treating targeted areas with herbicides, steam treatment and other forms of weed control, weather permitting.
