National Day of Truth and Reconciliation

Cochrane will mark the third National Day for Truth and Reconciliation on Saturday, Sept. 30, 2023.

In observance, the Jack Tennant Memorial Bridge will be lit orange and flags at Cochrane Facilities will be lowered to half-mast to recognize and acknowledge the ongoing trauma caused by residential and day schools, and remember those who were lost, survivors and their families.

To support reflection and learning, a list of resources for reconciliation, places to visit and community events is available at: cochrane.ca/Truthandreconciliation
