

ECONOMIC RECOVERY TASK FORCE AGENDA

The Task Force will:

- Monitor, evaluate and manage the sustainability and wellness of the business community.
- Focus on economic relief measures to support Cochranites and local businesses during and after the COVID-19 outbreak.
- Collaborate with other orders of government, the local business community and the community-at-large as needed on ways to support local as they rebuild.
- Make recommendations to Administration and Council that will target Town-specific actions to provide an environment poised recovery.
- Coordinate with the Social Recovery Task Force to engage with the mental health industry for opportunities to support business owners and stakeholders.
- Coordinate with the Social Recovery Task Force to provide opportunities for Social economic development.
- Work with the Emergency Command Centre to coordinate the reopening of non-essential services and large-scale events as directed by Alberta Health Services.
