APPENDIX B – EVALUATION PROCESS

EVALUATION AND CONTINUOUS LEARNING

In order to facilitate continuous evaluation, learning and improvement, it is important for Town leadership to have a process that flows effectively and provides timely information and reflection.

This Evaluation and Reporting Process includes:

Step 1: Identifying Strategic Links

Every element of a Section business plan should align with a Strategic Direction(s). When creating business plans, Managers will identify which Strategic Direction each statement aligns with.

Step 2: Sort by Guiding Themes. Review status and provide feedback to the Senior Leadership Team (SLT).

With the cross-reference to the Strategic Plan in place, the cumulative activities under each Guiding Theme can be evaluated

Step 3: Senior Leadership Team (SLT) Evaluation.

With the evaluation for all items under each Guiding Theme, SLT can evaluate the organization's progress at the strategic level. Once the evaluation is completed by SLT, quarterly reports on progress are presented to Council.
