### HOT DAY? LEAVE YOUR DOG AT HOME

We know your dog likes to be with you, but as the weather warms up, your pet will be happier at home where she can escape the heat.

Don't leave your dog alone in the car! The inside of a car can heat up quickly; dogs left in cars will overheat and suffer heatstroke, suffocation, brain damage – even death. Even a short time in a hot car can have serious consequences.

When your pets are at home in warm weather, make sure they have plenty of water and shady spots for rest (if outside).

If you see a dog in a car on a warm day, call Municipal Enforcement at 403-851-2532 or 911.
