Cochrane.ca/RFP

Let's talk about waste, recycling and organics collection in Cochrane.

We are gathering information about current rates of recycling, composting and Eco Centre programs. Help us understand waste diversion from your perspective.

We want to hear from you! Provide your input. Survey open now: letstalkcochrane.ca/zero-waste-framework

Cochrane & Area and the United Way

This year, Cochrane & Area and United Way is joining together to raise money for local organizations in Cochrane helping address complex issues in the community.

Join us to help raise money on Friday, October 14 from 3:30-7pm for a BBQ, family friendly activities and learn about the many organizations who receive funding from the United Way and their impact on the

Let's make sure everyone gets home safe.
Slow down.

Keep Construction Zones Safe. Slow Down!

There's lots going on in Cochrane with new roads, buildings and pathways. The individuals working to complete these new projects deserve a safe workplace.

Obey traffic signs, posted speed limits and directions from all construction personnel - and slow down. These are our neighbours working hard to improve our community.

Let's make sure everyone gets home safe.

National Day of Truth and Reconciliation

Cochrane will mark the second National Day for Truth and Reconciliation on Friday, September 30, 2022.

On this day, we recognize the ongoing trauma caused by residential and day schools, and remember those who were lost, survivors and their families.

In observance, on September 30th, the Jack Tennant Memorial Bridge will be lit orange and flags at Town buildings will be at half-mast to recognize and acknowledge the ongoing trauma caused by residential and day schools, and remember those who were lost, survivors and their families.

On this day, all Town of Cochrane facilities will be closed to provide staff the opportunity to honour the National Day for Truth and Reconciliation and reflect appropriately.
