Be a Part of Public Art in Cochrane

Calling all local artists! This is your opportunity to take part in Cochrane's public art displays.

This is an open call for community artists who live in the Bow Valley area to submit a proposal for one of three public sculpture installations at the Cochrane Crossing Civic Plaza, known as The Station.

The project includes three different opportunities for local artists to create public sculpture installations that reflect the following three themes: Truth and Reconciliation, innovation, and diversity.
