As of December 12, 2022, Council approved that short-term rentals (30 days or less) are now required to have an annual Cochrane Business Licence.

Like any business, a business licence certifies that a short-term rental business is legally allowed to operate and adheres to all bylaws and regulations.

DO YOU RUN AN AIRBNB OR SHORT-TERM RENTAL?

Obtain a Cochrane Business Licence:

1. Complete a Business Licence Application at Cochrane.ca/business
2. Schedule a fire inspection

For more information: Contact business licensing at 403-851-2573.
