

WORKING TOGETHER FOR SAFETY

PLAYGROUND ZONES

Your responsibilities

Do you know the speed limits within Cochrane playground zones? Do you know where a playground zone begins? Do you know where it ends?

The speed limit in playground zones is 30 km/hour. This speed limit is in effect from 8:30 am until one hour after sunset every day of the year, in all weather. Please drive carefully and watch for children in designated playground zones.

When you pass this sign with a speed sign attached to the post, you have entered a playground zone and you must stay within the maximum posted speed.
