STAY OFF STORMWATER PONDS

Stay off all local stormwater ponds no matter how the ice looks. There are NO circumstances in which the ice on stormwater ponds is safe: the surface may look solid, but changes underneath present a significant danger.

WATER CONSERVATION REBATES DUE DEC 31

Rain barrels and wood mulch are great ways to reduce your household water consumption. If you bought either this year, you may be eligible for a water conservation rebate. Conditions apply. Applications must be received by Dec 31.

2019 BUSINESS LICENCE

Invoices have been mailed. For more information or to pay by phone, please contact:

Business Licensing at 403-851-2573

All businesses located or operating in the Town of Cochrane must hold a current business licence.

This includes non-resident business owners or operators whose premises are located outside of the Town, but who travel (or have their employees travel) to Cochrane to conduct business.

WINTER ORGANICS COLLECTION TIPS

• Lining and layering

Line the bottom and sides of your organics cart with newspaper/cardboard. This reduces the possibility of organics freezing to the cart when the temperature drops. Layering is even more important during the time of year when temperatures fluctuate frequently.

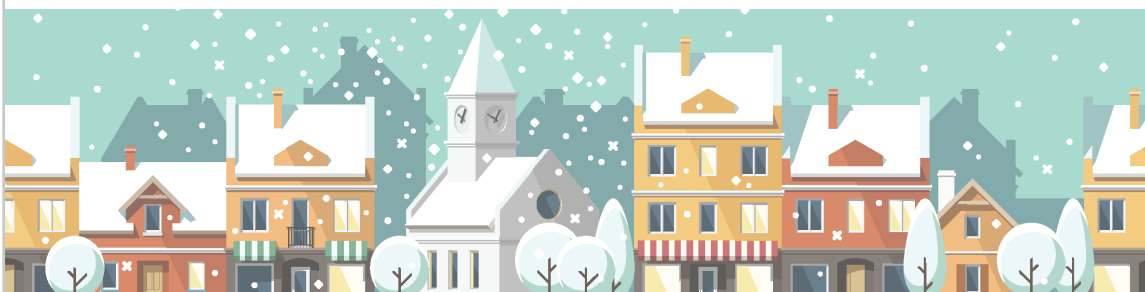

• Keep it fluffy

Avoid packing contents of the cart down. Organic materials may become stuck in the cart and the truck may not be able to fully empty it.

• Wrap it up

Wrap wet or smelly organics in soiled boxes (from cereal or crackers), paper bags or newspaper to help prevent them from freezing to the cart.
