NOTICE

TREATING FOR WEEDS JUNE AND AUG

Town of Cochrane Parks is eradicating and controlling dandelions, prohibited noxious weeds and noxious weeds by mechanical and chemical means (per TOC Noise and Nuisance bylaw and the Alberta Weed Control Act): intermittently between Jun 3 - Aug 31, weather permitting. Annual control of infestations is critical to the long-term prosperity of our natural vegetation. All due diligence for public safety and environmental impact are followed, including 48-hour signage. We recommend avoiding areas with signs for 24 hours after the posted application time and date.

If you have special health concerns and wish to be notified of herbicide applications in your area, please email parcs@cochrane.ca
