## TAKE NOTE

### CYCLING SAFELY ON TOWN PATHWAYS

Cycling is good for you and good for the community, but there are some rules you must follow for the safety's sake:

- Pedestrians have the right of way on pathways at all times
- Slow down and give plenty of audible warning when passing (bells/horns are required equipment)
- Obey the speed limit: 20 km/hr
- Ride in single file

Safe pathways depend on everyone behaving in a safe, courteous and responsible manner.

## Keep cats on your property

Cochrane's Animal Bylaw requires all cats to be kept indoors. Indoor cats are:

- safer and far from traffic, unfriendly animals, predators, diseases, dehydration, poison and abuse from humans
- older: indoor cats live 12 to 15 years; outdoor cats only live 2-5 years
- under your control: not destroying property, urinating/defecating, meowing, howling or running at large in the community

Think Fluffy needs some outdoor time? Build a cat run or take him out on a leash.
