Street Sweeping

Despite weather delays, Cochrane has completed its annual scheduled residential street sweeping program. We appreciate the cooperation of all residents to keep streets clear by moving vehicles off the road to prepare the neighbourhood for the sweeper.

Throughout the spring, our crews will continue the clean-up by sweeping in alleys. We ask for your help to push your blue, black and green carts back, so we are able to move through without any obstacles. You will continue to see our sweepers cleaning in alleys, industrial areas and some collector roads to remove all gravel and road debris.

Annual property tax notices will be mailed May 30.
