Here are some water wise tips:

- Water outside before 10am, or after 7pm.
- Limit your sprinkler time to 15 minutes.
- Keep your kids cool with sprinklers and water toys at any time during the day. Make sure to shut them off when they are done.

## Historic Ranche & Glenbow Pathway Improvement

Crews will be mobilizing to site to start the paving of 3 km of pathways in Glenbow and the Historic Cochrane Ranche, as well as the replacement of four pedestrian bridges in Glenbow Park that have reached the end of their lifespan.

During construction, there will be pathway closures and detours in place while crews work along the pathway paving and replacing bridges.
