Bulletin: Notification Requirements for Proof Roll Field Testing

As per the [Town of Cochrane Requirements for Development](#), all Developers are required to notify the Civil Land Development Services department of all proof roll field tests.

To schedule a proof roll inspection, Developers must email CLDinspections@cochrane.ca at least 48-hours in advance of the scheduled test and a member of the Civil Land Development team will attend at their discretion.

For any questions, please contact CivilLandDevelopment@cochrane.ca.

Visit www.cochrane.ca/bulletins for more engineering bulletins.

Sincerely,

Drew Hyndman
Executive Director, Development & Infrastructure Services
