Bulletin: Exclusion of Lyme Grass from Landscape Design

As discussed during the December 11th, 2025, Cochrane Developers Liaison Group meeting, the Town of Cochrane will be implementing the following changes effective January 1st, 2026:

Lyme Grass (*Elymus arenarius*) will no longer be accepted in landscape design due to its aggressive growth and tendencies to damage adjacent concrete and asphalt surfaces.

For any questions, please contact CivilLandDevelopment@cochrane.ca.

Sincerely,

Adam Sullo
Director, Engineering Services
