Bulletin: Playground Equipment Compliance Inspection Report Requirements for FAC Release of Park Spaces Containing Play Amenities

As discussed during the December 11th, 2025, Cochrane Developers Liaison Group meeting, the Town of Cochrane will be implementing the following changes effective January 1st, 2026:

A [Playground Equipment Compliance Inspection Report – Annual Comprehension Report](#) must be submitted to the Town at least 7 days prior to a scheduled FAC inspection. These playground equipment inspections must be conducted no more than 30 days prior to submission. This requirement applies to all play amenities, including, but not limited to play structures, pump tracks, outdoor fitness equipment, and climbing walls.

All inspections must be performed by a [Canadian Certified Playground Inspector \(CCPI\)](#) in accordance with the current edition of standards utilized by the Canadian Playground Safety Institute (CPSI).

A copy of the annual comprehension report has been attached below. Please submit the completed inspection report to Parks@cochrane.ca and CivilLandDevelopment@cochrane.ca.

For any questions, please contact CivilLandDevelopment@cochrane.ca.

Sincerely,

Adam Sullo
Director, Engineering Services
