Bike safety week

The Town is reminding everyone to help keep roads, pathways and public spaces safe. Use a bell, keep right, slow down around pedestrians and stop at crossings.

Free bike bells and stickers are available at Town facilities while supplies last.

Community Peace Officers will also be recognizing youth making safe choices through the Positive Ticket Program.

Let's roll safely, Cochrane.

Sharing the road with commercial vehicles means giving a little extra time and space. Large vehicles need more room to stop, turn and merge.

- Leave a safe following distance—don't tailgate
- Keep to the speed limit
- Be patient—let them merge and give wide turns room

COMMERCIAL VEHICLE SAFETY

Commercial vehicles need more time and space to maneuver. When sharing the road, a little extra patience helps keep everyone safe.
