

Highway 1A and Centre Avenue Intersection. Painting on Centre Avenue to add a new second southbound lane. Two southbound lanes on Centre Avenue will improve traffic flow at Highway 1A intersection during peak hours of the day. Mountain Street access streets changed to right-in/right out turns.

Centre Avenue south of Powell Street. Additional southbound lane continues the length of Centre Avenue to First Street. All on-street parking removed on Centre Avenue. William Street, Second Street, and all alleyways off Centre Avenue will be right-in/right-out access only. Powell Street will remain an all-turns intersection.

Centre Avenue and First Street Intersection. Two southbound lanes end. Right lane allows right turn access onto First Street W and southbound Centre Avenue thru traffic. Left lane becomes dedicated left turning lane onto First Street E.

Centre Avenue/HWY 1A
