HWY 1A/22 Interchange Update: RR 43 Closure

On June 28, Alberta Transportation will be permanently closing access to RR 43 at HWY 22 as it overlaps with the exit and entrance ramps of the new interchange.

The timing of the closure allows the contractor to safely proceed with the required earthworks and drainage construction work in the area. Access from HWY 22 to Ranche Road will remain open at this time. This access will be closed at a future date in the construction process.
