It's Time for Fall Cleaning:

The Cochrane Eco Centre is here to help

If your organics bin is overflowing and you find yourself with an abundance of leaves, grass, tree trimmings and branches, worry not! Until mid-November, the Cochrane Eco centre will gladly accept these materials at no additional cost. Please see Cochrane.ca/ecocentre for more information on limits and requirements.

Please note: This program is not available for commercial firms, landscape or maintenance companies.
