Happy New Year, Cochrane!

As we welcome 2024, let's celebrate the beauty of Cochrane - from views of the Rockies, the sparkling Bow River and the charm of our historic downtown.

This year, let's explore Cochrane's hidden gems, support local businesses and celebrate our rich culture.

No ice is safe ice

Frozen bodies of water are dangerous! Stay off all retention ponds, creeks and rivers as continuously changing water levels make it unstable and unsafe.

Due to mild weather conditions, ice surfaces at Mitford Pond and the Tim Bannister Memorial Rink are not open for public skating. Parks staff will continue to monitor conditions and reassess opening when temperatures are more favorable for ice making.

Curbside Christmas tree collection

Curbside collection runs from January 2-15 on your regular waste and recycling collection day. Please place your tree 1 metre from your black and blue carts. Remember to remove all lights, tinsel, decorations and netting.

Miss the curbside collection? Bring your tree to the Eco Centre.
