ANIMAL LICENCE RENEWALS

Unpaid animal licences will be deactivated on February 28 2023.

Did you know?

Animal licence payments are used to:

- Reunite lost cats and dogs with their owners (and a free trip home!)
- Help neighbours resolve their animal-related conflicts
- Provide emergency care to injured animals
- Waste bag dispenser program
- and more!

All dogs and cats over the age of three months must have a current Cochrane animal licence. Please remember to update your information if you no longer own the pet, you have moved, the pet is deceased or has been altered.

More: Cochrane.ca/animalservices

Cochrane.ca/business

As of December 12, 2022, Council approved that short-term rentals (30 days or less) are now required to have an annual Cochrane Business Licence.

Like any business, a business licence certifies that a short-term rental business is legally allowed to operate and adheres to all bylaws and regulations.

DO YOU RUN AN AIRBNB OR SHORT-TERM RENTAL?

Obtain a Cochrane Business Licence:

1. Complete a Business Licence Application at Cochrane.ca/business
2. Schedule a fire inspection

For more information: Contact business licensing at 403-851-2573.

Cochrane Job Fair - March 8

Whether you're just starting out or looking for the next step in your career, Prospect Human Services, in partnership with Cochrane Economic Development, is bringing together local professionals to help you in your job search.

Visit the Cochrane booth and other local organizations to learn about opportunities to make your career in your community!

When: March 8 | 3-6pm

Where: Cochrane Lions Club | 109 5th Ave

Shovel in, not out.
DO YOUR PART TO KEEP OUR ROADS CLEAR

When snow falls, please shovel snow in towards your properties - not out onto the road. This helps keep the roads safe and aides with clearing and stormwater flow. Cochrane (and your neighbours!) appreciate your hard work!
