## Fire Prevention Week

Cochrane Fire Services, in partnership with the National Fire Protection Association (NFPA), is hosting Fire Prevention Week from October 6 - 12, 2024. This year's theme, "Smoke Alarms: Make Them Work for You," focuses on the life-saving importance of having properly functioning smoke alarms in your home.

As part of the week's activities, Cochrane Fire Services is running a colouring contest, offering one lucky family the chance to win a personalized tour of Fire Station 151. Follow the Town of Cochrane on Instagram and Facebook for more fire safety tips and contest details.

## Seasonal Trailer Parking: Time to consider alternative storage options

As the camping season winds down and winter approaches, it's that time again to safely relocate your trailers, RVs and boats to a designated seasonal storage area. Beginning on Nov. 1, recreational vehicles are no longer permitted for parking on residential driveways until the start of the 2025 camping season in May.
