Holiday safety tips

Stay safe this holiday season! Impaired driving is 100% preventable. Alcohol and drugs impact judgment and reaction time, putting everyone on the road at risk. Let's work together to keep our roads safe.

- Plan ahead by arranging a ride share, taxi or designating a sober driver
- Host responsibly by offering non-alcoholic drink options and ensuring your guests have a safe way home
- Stay alert and report any suspected impaired drivers to police
- Think twice - impaired driving can result in life-altering consequences for everyone involved

Facility holiday hours

Holiday hours for all Cochrane facilities are available at cochrane.ca. All facilities return to regular hours on January 2, 2025.
