2025 PROPERTY ASSESSMENT NOTICES

Property assessment notices have been mailed

Property owners in Cochrane can expect to receive their 2025 property assessment notices in the mail within the next week. These assessments provide important information about the value of properties and their role in determining property taxes.

The 60-day assessment review period from January 31 to April 1, allows property owners to review their assessment details carefully and contact a Cochrane Assessor for more information and questions.

Beloved Grandfather Tree lost in windstorm

The Grandfather Tree's loss last week has deeply moved our community, as seen in the outpouring of stories and reflections shared across social media. For generations, this beloved landmark was a symbol of connection and natural beauty in Cochrane.

To honour its legacy, we've placed a special mailbox at the site, complete with a community journal. We'd love for you to stop by and share your memories, stories, or reflections to help preserve its history for future generations.

Have ideas on how we can further commemorate this cherished piece of Cochrane's history? Email us at community.services@cochrane.ca. We'd love to hear from you!
