Received your assessment? Try the Property Tax Estimator

A

Get an estimate and breakdown of your property tax bill and learn where your property tax dollars are invested into municipal services, Alberta Education and seniors housing.

The 60-day assessment review period from January 31 to April 1, allows property owners to review their assessment details carefully and contact a Cochrane Assessor for more information and questions.

Prevent falls this winter

Community FireSmart Program launches in Cochrane

TOTAL VALUE = \$1,000,000

The Town of Cochrane is launching the Community FireSmart Program to help residents reduce wildfire risks and protect their homes.

In partnership with Cochrane Fire Services and community groups, this initiative promotes proactive fire prevention through vegetation management, home hardening, and emergency preparedness.

Learn more and get involved at cochrane.ca/FireSmart

Icy sidewalks and slippery paths can lead to dangerous falls. Stay safe with these tips:

- Wear proper footwear: Choose boots with good traction to reduce your risk of slipping.
- **Take your time:** Rushing increases the chance of falling. Leave early and walk carefully.
- Walk like a penguin: Short, flat-footed steps help you stay balanced on icy surfaces.
- **Keep hands free:** Avoid carrying heavy items and keep your hands out of your pockets for better balance.
