## Winter safety tips

As the temperatures start to dip, it's important to stay safe and cozy. Here are a few simple tips to help you stay warm:

- Layer up - dress in layers and cover exposed skin when outdoors.
- Warm spaces - the RancheHouse and The Station are open during operating hours for anyone who needs a warm place to go.
- Driving - if you must drive, take extra precautions and leave plenty of time for travel.
- Pets - if it's too cold for you to be outside, it's also too cold for your pets. Keep them safe and warm inside.
