2025 PROPERTY ASSESSMENT NOTICES

Property assessment notices have been mailed

Property owners in Cochrane can expect to receive their 2025 property assessment notices in the mail. These assessments provide important information about the value of properties and their role in determining property taxes.

The 60-day assessment review period from January 31 to April 1, allows property owners to review their assessment details carefully and contact a Cochrane Assessor for more information and questions. Visit cochrane.ca/assessment for more information.

Stay safe: Keep off the ice

For your safety, please stay off the ice on rivers, creeks, and stormwater facilities. Fluctuating temperatures make the ice unpredictable and dangerous, regardless of how it appears. Take extra care and keep children and pets close. Let's all do our part to stay safe this winter.
