What is Bylaw 01/2025: Road Closure?

The Town of Cochrane is proposing to close a small portion (approx. 152 sq.m. or 1,636 sq.ft.) of a public lane that was used as a turn-around bulb. The closure is part of a land swap transaction between the Town and Rocky View Schools in which the Town would acquire the laneway south of the proposed closure area. The closure area would be consolidated with the Cochrane Christian Academy school parcel.

What does this mean?

The completion of the proposed transaction would mean that the north-south laneway below the proposed closure area would become a public right-of-way and the Town will have control over the laneway, including maintenance, repair, snow removal and traffic bylaw enforcement. This proposal will not result in any disruption in access to adjacent properties.
