E-Scooters are back!

Cochrane's shared e-scooter program has returned for the season, offering a fun, sustainable, and convenient way to get around town. Whether you're commuting, running errands, or exploring Cochrane's scenic pathways, e-scooters provide an easy and eco-friendly option for residents and visitors alike.

Find e-scooters at key locations, including Historic Downtown and the Quarry. Plan your ride today at cochrane.ca/e-scooter.

Riders must be 16+. Helmets are encouraged.

Weed control starting soon

Beginning mid-May the Town of Cochrane Parks and Open Spaces will begin implementing targeted weed control measures, such as herbicide application, steam treatment, and mechanical weed pulling throughout parks and green spaces. Please watch for yellow information signs placed during herbicide treatment, which will include important product safety data sheet information.
