It's important to watch for
our plows when their lights
are **flashing** and they are
spreading out materials.

Winter snow clearing

Winter has made its entrance this
week with a heavy snowfall to start the
season

Our dedicated snow crews are already
in action. As soon as 3 cm of snow
accumulates—or when drifting snow
begins to affect traffic—they roll out to
keep Cochrane moving. Covering more
than 300 km of roads, our teams work
tirelessly to make sure our streets stay
safe and passable.

As the snow continues to accumulate,
please give yourself extra time to
travel, do your part by shovelling your
sidewalk and driveway and lend a hand
to neighbours who may need extra
assistance. Together, we can help keep
our community safe, connected and
accessible for everyone
