When snow falls, we roll!

cochrane.ca/snow

Keeping Cochrane clear!

With the anticipated snowfall, Cochrane crews work day and night each winter to keep roads and pathways safe. Plowing begins after three centimetres of snow, with emergency and major routes cleared first, followed by key hills, industrial areas and residential connections. View our snow clearing map and priority routes at cochrane.ca/snow.

Snow clearing tips

- When clearing your driveway and sidewalks, shovel snow onto your property—not the road—to support safe, efficient snow clearing.
- Reduce ice on your walkway with free "pickle mix" for your sidewalk. Bring a bucket and shovel to collect yours at Matt Krol sports field parking lot (245 Riverview Dr.).

Facility holiday hours

Holiday hours for all Cochrane facilities are available at cochrane.ca. All facilities return to regular hours on January 2, 2026.

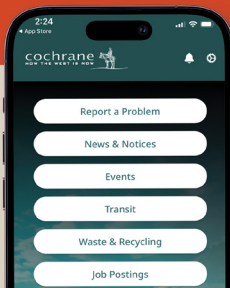

More: cochrane.ca/localinfo

Holiday collection schedule changes

For residents with Thursday waste, recycling and organics collection:

- Pickups scheduled for December 25 will take place on Saturday, December 27.
- Pickups scheduled for January 1 will occur on Saturday, January 3.
