Stay safe. Keep off the ice.

For your safety, please stay off the ice on rivers, creeks and stormwater facilities. Fluctuating temperatures make the ice unpredictable and dangerous, regardless of how it appears. Take extra care and keep children and pets close. Let's all do our part to stay safe this winter.

2026 business licences

All businesses operating in Cochrane, including home-based and non-resident, need a valid Town of Cochrane business licence.

In 2026, annual licences won't auto-renew. Instead, business owners will simply complete the quick online renewal application each year. Renewal fees are due **January 31**. Licence certificates will now be emailed for your convenience.
