E-scooters are back in Cochrane in April

E-scooters are rolling back into Cochrane in April—just as soon as the weather cooperates.

It's an easy, fun way to get around town, including Historic Downtown and the Quarry. Riders must be 16+, follow all traffic laws and local bylaws, and park in designated areas. Helmets are recommended.

SPEED SAFETY

Speed matters. A few extra kilometres can turn a quick trip into a serious collision.

Help keep Cochrane roads safer:

- Plan ahead — leave extra time so you're not rushing
- Leave more space — increase your following distance
- Slow down for conditions — posted limits are the maximum, not the goal
- Drive rested — alert drivers make safer choices
