Cochrane's Community Tree Fruit Round-Up
is back for a third year! Help reduce wildlife
attractants and food waste while supporting
local food programs.

Bring extra fruit to the Operations shop
parking lot at 124 Griffin Road. Fresh fruit will
support local food security organizations, while
fallen fruit will go to animals at the Cochrane
Ecological Institute.

Dates: Aug. 22, Sept. 12 & Sept. 26

Time: 12–3 p.m.

Location: Operations shop parking lot, 124
Griffin Road

Cochrane / United Way Partnership Grant opens August 17

Cochrane FCSS and United Way
of Calgary and Area are offering
grant funding for local programs
focused on prevention, mental
health, belonging, resilience,
financial stability and access to
social supports.

Get your permit. Start your project.

Planning a basement renovation
this fall? You'll need a permit
for that! Don't forget to check
requirements for permits and
inspections before starting your
project. Even if you're working with
a contractor, it's important to know
what safety measures you need
to take to ensure compliance with
provincially-set regulations.
