Summer pet safety reminder

With summer temperatures climbing, Cochrane Municipal Enforcement has responded to an increase in calls involving pets left unattended in hot vehicles.

Even with the windows cracked or the vehicle parked in the shade, the temperature inside can become dangerously hot within minutes. If your pet can't come inside with you, the safest choice is to leave them at home.

If you see an animal in distress inside a parked vehicle, **contact Municipal Enforcement at 403-851-2532 or 9-1-1.**

Get your permit. Start your project.

Ready for your next home project?
Make sure all your tools are in your
toolbox, including your permit!

Positive Ticket Program

The Town of Cochrane's Positive Ticket Program recognizes youth who make safe, respectful and community-minded choices.

Throughout the final weeks of summer, Municipal Enforcement, the RCMP and SARVSS will continue handing out Positive Tickets featuring small rewards from local businesses.

TRAFFIC SAFETY MESSAGE

Let's share the road responsibly.

Whether you're an experienced driver or new behind the wheel, we all play a role in safety.

- Experienced drivers: be patient, give space, and watch for others
