Help make Cochrane Light Up shine!

As we prepare for the 42nd annual celebration on November 28, we're looking for volunteers, local sponsors and community organizations to help bring this beloved holiday tradition to life.

Whether you're lending a hand, supporting as a sponsor or getting involved as a group, there are plenty of ways to make a difference!

Is your child in the right seat?

The right child safety seat, installed and used correctly, can greatly reduce the risk of serious injury in a collision.

Keep your child rear-facing as long as possible, transition to a forward-facing seat when they're ready, and use a booster until the vehicle's seat belt fits properly.

Every trip. Every time. Protect what matters most.
